Automation Division

Pepco is a leader in the automation industry and our strength in diversification is key to any of our total value-engineered solutions.

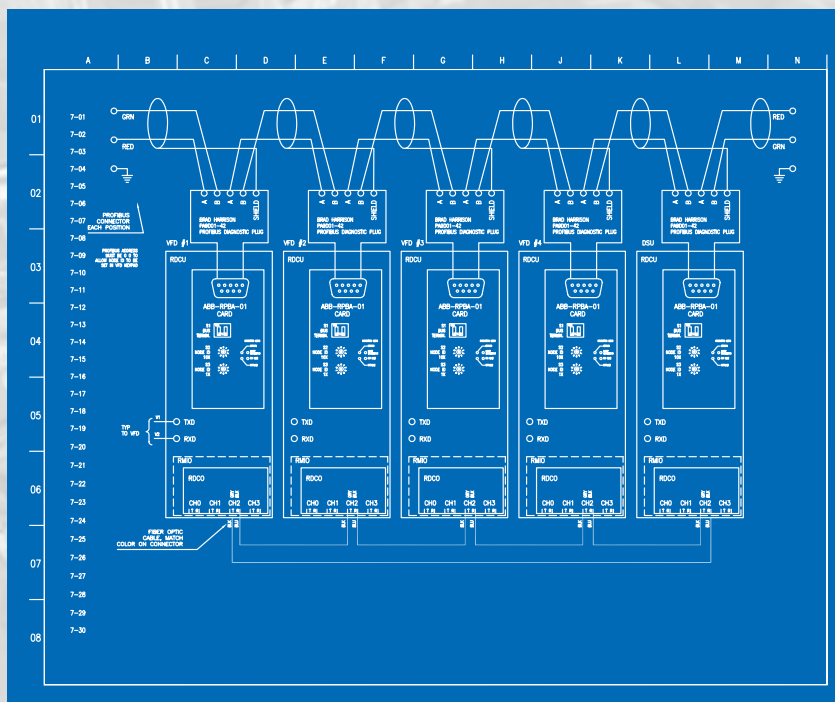

Pepco successfully implements new automation strategies and delivers emerging technologies across all platforms of today's challenging industrial automation applications.

Our highly skilled engineering staff and global manufacturing representation deliver superior problem-solving ideas and support for all of your industrial/automation requirements.

Pepco provides a complete solution for all your electrical needs. Our service-oriented professionals and engineers create and customize a solution to best fit your need, extending critical resources to support your project through successful implementation.

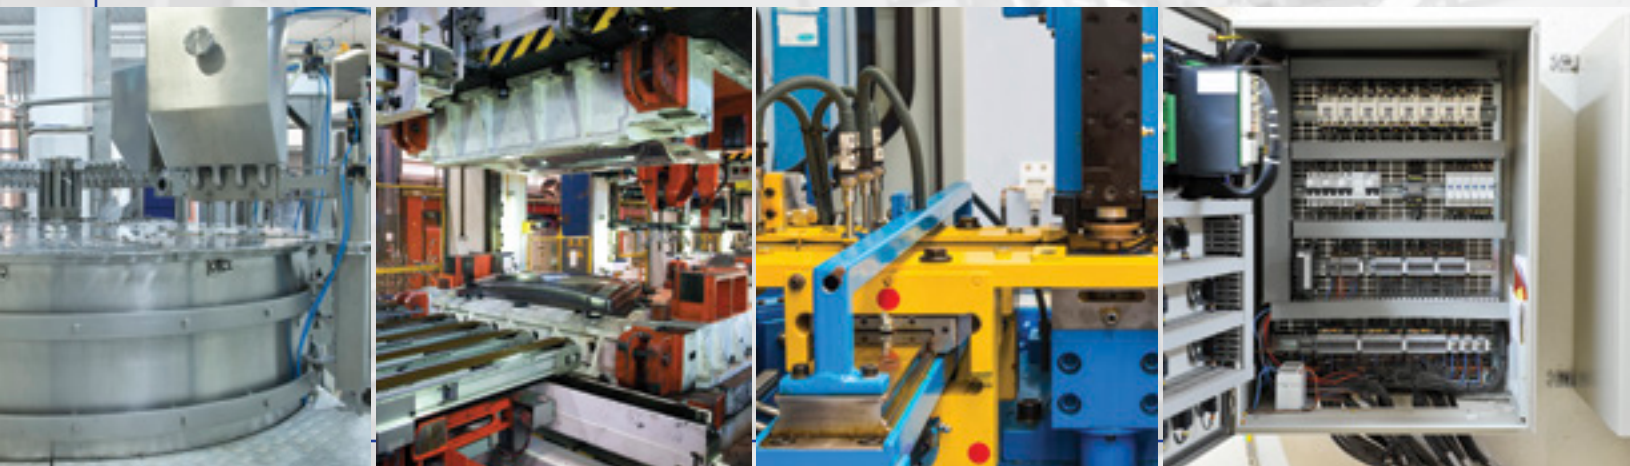

Pepco is part of the Sonepar Group

Sonepar is an independent family-owned company with global market leadership in B-to-B distribution of electrical products, solutions and related services. Through a dense network of 80 brands spanning 40

countries, the Group has an ambitious transformation agenda to become the first global B-to-B electrical distributor to provide a fully digitalized and synchronized omnichannel experience to all customers. Drawing on the skill and passion of its 44,000 associates, Sonepar had sales of \$33.1 billion in 2022.* For more information, visit sonepar.com.

*Figure converted to dollars from €31.416B at 1.054 USD/EUR average rate.
