## ***Data/Communications Division***

Pepco offers a diverse selection of leading manufacturer's Data/Communications products, including a full-line of premise infrastructure supplies. Our team of skilled professionals will coordinate voice, data, audio, and video systems for any residential, commercial, industrial, institutional, or utility application.

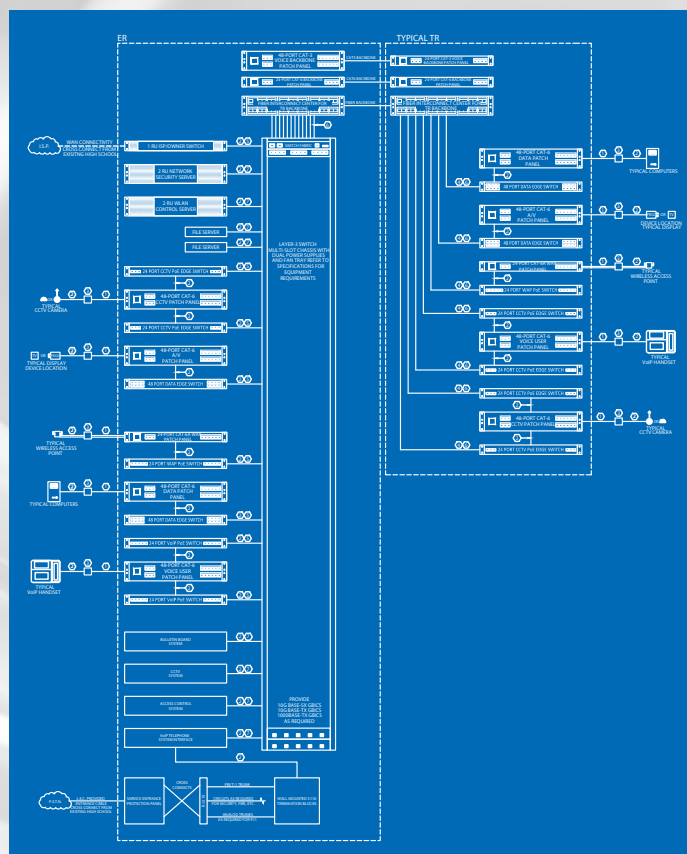

Pepco provides the unique capability of packaging all of your traditional communication solutions while complimenting them with CATV, CCTV, and distributed audio and visual systems.

Pepco's expert staff can assist with design and take-off of multi-faceted communication and data center power solutions while adding advanced material management services.

Pepco provides a complete solution for all your electrical needs. Our service-oriented professionals and engineers create and customize a solution to best fit your need, extending critical resources to support your project through successful implementation.

**Pepco is part of the Sonepar Group**

Sonepar is an independent family-owned company with global market leadership in B-to-B distribution of electrical products, solutions and related services. Through a dense network of 80 brands spanning 40 countries, the Group has an ambitious transformation agenda to become the first global B-to-B

electrical distributor to provide a fully digitalized and synchronized omnichannel experience to all customers. Drawing on the skill and passion of its 44,000 associates, Sonepar had sales of \$33.1 billion in 2022.\* For more information, visit **sonepar.com**.
