Industrial Division – OEM & MRO

Pepco's highly experienced and trained staff is committed to working closely with our leading global manufacturers to provide solutions and support for all facets of our clients' industrial business.

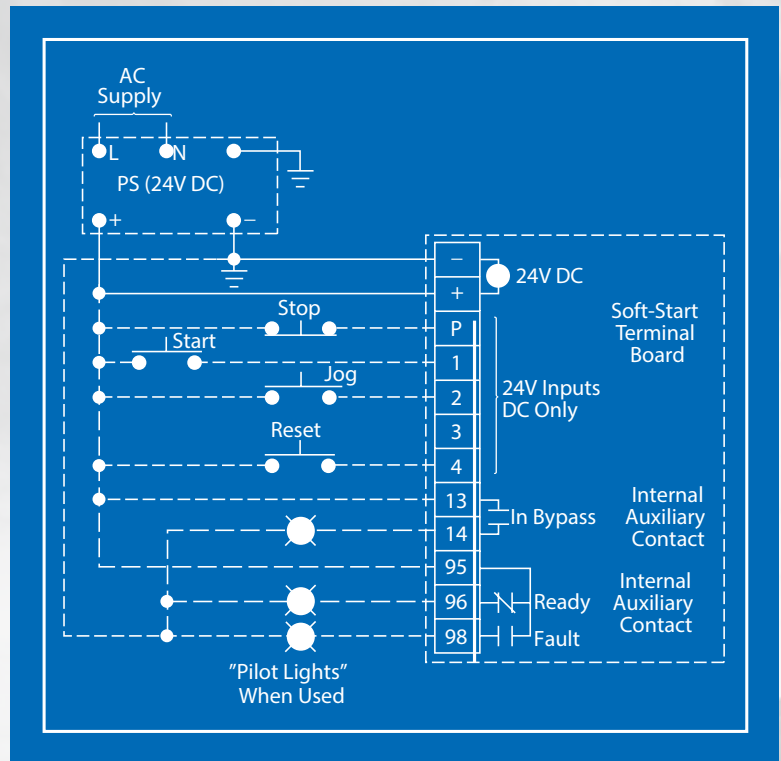

Pepco has over 200,000 square feet of warehouse space and 18,000 SKU's in stock for next day servicing of your OEM and MRO product requirements.

Our seasoned professionals will work with your team to streamline and improve your procurement process, material management, and scheduling, as well as provide technical and engineering support to help reduce total cost of ownership.

Pepco provides a complete solution for all your electrical needs. Our service-oriented professionals and engineers create and customize a solution to best fit your need, extending critical resources to support your project through successful implementation.

Pepco is part of the Sonepar Group

Sonepar is an independent family-owned company with global market leadership in B-to-B distribution of electrical products, solutions and related services. Through a dense network of 80 brands spanning 40

countries, the Group has an ambitious transformation agenda to become the first global B-to-B electrical distributor to provide a fully digitalized and synchronized omnichannel experience to all customers. Drawing on the skill and passion of its 44,000 associates, Sonepar had sales of \$33.1 billion in 2022.* For more information, visit [sonepar.com](https://www.sonepar.com).
