# Lighting Division

For over 40 years, Pepco has provided our clients with quality service and detailed lighting solutions. Through our partnerships with leading manufacturers we strive to meet even the most challenging requirements.

Pepco's manufacturing partners facilitate the development, review, and critique of lighting layouts and electrical drawings, while providing specifications and detailed product data sheets to assist in lighting design solutions.

Our knowledgeable and highly trained staff, LC and Controls Certified, will visit your business or jobsite and are capable of conducting Light Level Analysis and Energy Audits. We will analyze your lighting needs in order to understand your expectations and provide you with lighting solutions in a timely, accurate, and professional manner.

Pepco provides a complete solution for all your electrical needs. Our service-oriented professionals and engineers create and customize a solution to best fit your need, extending critical resources to support your project through successful implementation.

## Pepco is part of the Sonepar Group

Sonepar is an independent family-owned company with global market leadership in B-to-B distribution of electrical products, solutions and related services. Through a dense network of 80 brands spanning 40 countries, the Group has an ambitious transformation agenda to become the first global B-to-B electrical distributor to provide a fully digitalized and synchronized omnichannel experience to all customers. Drawing on the skill and passion of its 44,000 associates, Sonepar had sales of \$33.1 billion in 2022.\* For more information, visit [sonepar.com](https://www.sonepar.com).
