# Power & Utility Packaging Division

Pepco is a national, comprehensive packager for power and utility projects. Our cross-functional business platform brings value-added services and cost reductions to power and utility projects for customers.

Our packaging capabilities allow us to unite our traditional expertise in power distribution with centralized packaging, management, and support.

## Pepco is part of the Sonepar Group

Sonepar is an independent family-owned company with global market leadership in B-to-B distribution of electrical products, solutions and related services. Through a dense network of 80 brands spanning 40 countries, the Group has an ambitious transformation agenda to become the first global B-to-B

electrical distributor to provide a fully digitalized and synchronized omnichannel experience to all customers. Drawing on the skill and passion of its 44,000 associates, Sonepar had sales of \$33.1 billion in 2022.\* For more information, visit [sonepar.com](https://www.sonepar.com).
