Power Distribution Division

Pepco specializes in switchgear, medium and high voltage projects with the knowledge and capabilities to deliver timely, complete and accurate solutions.

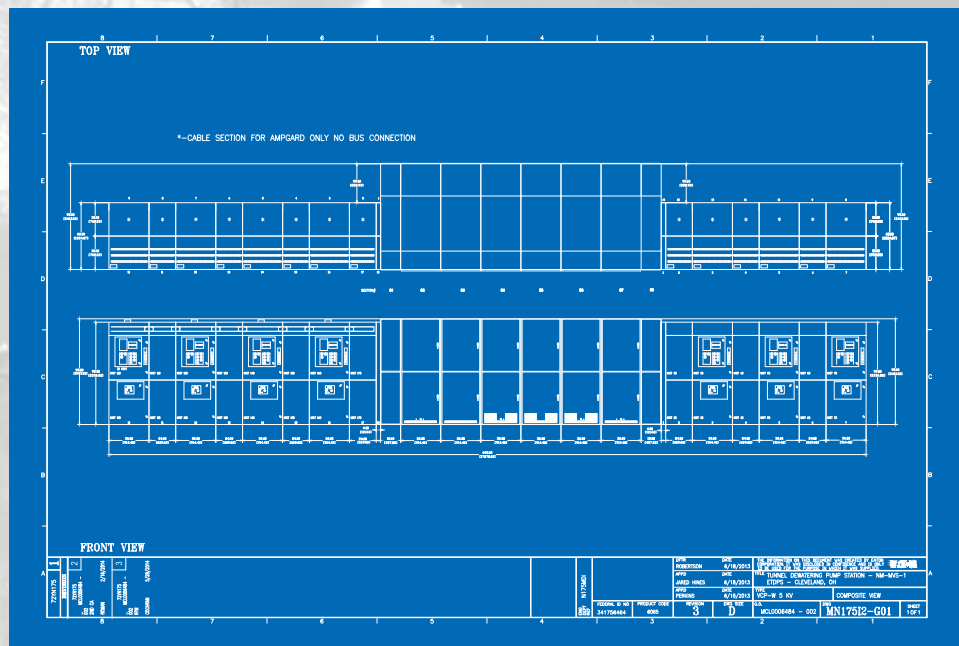

Our Project Managers coordinate timely deliveries and material staging with our Logistical Support Groups to ensure on-budget distribution projects.

Our Project Managers can also form a pre-construction budget analysis to better understand your needs and the appropriate resources for your project.

Pepco provides a complete solution for all your electrical needs. Our service-oriented professionals and engineers create and customize a solution to best for your need, extending critical resources to support your project through successful implementation.

Pepco is part of the Sonepar Group

Sonepar is an independent family-owned company with global market leadership in B-to-B distribution of electrical products, solutions and related services.

Through a dense network of 80 brands spanning 40 countries, the Group has an ambitious transformation agenda to become the first global B-to-B electrical distributor to provide a fully digitalized and synchronized omnichannel experience to all customers. Drawing on the skill and passion of its 44,000 associates, Sonepar had sales of \$33.1 billion in 2022.* For more information, visit [sonepar.com](https://www.sonepar.com).

*Figure converted to dollars from €31.416B at 1.054 USD/EUR average rate.
