# Safety/Tools Division

Pepco offers a complete line of tools and safety equipment, including hand tools, testers, PPE, and much more. Our staff is highly experienced and trained in current OSHA standards and can present your organization with the newest products and technologies on the market.

From individual contractors, to entire market segments including utility and industrial maintenance, Pepco has you covered. We also offer on-site training, product demonstrations, and safety equipment testing services.

Pepco provides a complete solution for all your electrical needs. Our service-oriented professionals and engineers create and customize a solution to best fit your need, extending critical resources to support your project through successful implementation.

## **Pepco is part of the Sonepar Group**

Sonepar is an independent family-owned company with global market leadership in B-to-B distribution of electrical products, solutions and related services. Through a dense network of 80 brands spanning 40 countries, the Group has an ambitious

transformation agenda to become the first global B-to-B electrical distributor to provide a fully digitalized and synchronized omnichannel experience to all customers. Drawing on the skill and passion of its 44,000 associates, Sonepar had sales of \$33.1 billion in 2022.\* For more information, visit **[sonepar.com](https://www.sonepar.com)**.
