# Utility/High Voltage Division

Pepco's expert utility and high voltage staff combine products from all of our divisions to meet the requirements and specifications of any transmission, substation, or distribution project, while furnishing customers with in-house electrical engineers capable of assisting with procurement and design.

Pepco's team can customize packaging, manage material, and coordinate your scheduling timetables to reduce your total cost.

Customers have access to an Emergency Hotline 24 hours a day / 7 days a week / 365 days a year should they need materials or services during non-business hours.

Pepco provides a complete solution for all your electrical needs. Our service-oriented professionals and engineers create and customize a solution to best fit your need, extending critical resources to support your project through successful implementation.

## Pepco is part of the Sonepar Group

Sonepar is an independent family-owned company with global market leadership in B-to-B distribution of electrical products, solutions and related services.
